## Intervention Commission:

in acronym "IC" is a charge due to OGEFREM on all cargo destined for the DRC. It is calculated on the total freight cost on the transportation of the cargo. Only vessels sailing directly into one of the DRC ports, for example, Matadi or Boma, will not be charged IC as it is payable at the port.

IC	<b>GROSS FREIGHT COST @ 1.8%</b> (All products, except below)
IC	<b>GROSS FREIGHT COST @ 1.0%</b> (Rice, Chicken, Horse Mackerel and Grey Cement)

### \*\*NB:

Please note that a EUR 40.00 Admin Fee will apply for any subsequent amendments requested for Applicant approval Certifications issued.
